„Vincent”

Amazing
When he looks at me
Then I feel,
Excitement
With one touch it warms me up
Never enough love.

ABC Poem

"Guest chamber"

She was here. Happiness and fear.
Tears were in our eyes. One touch.
Unsuspected things, patchwork quilt.
Various wall shapes, flowers near the bed.
Her kiss and words: "I'm yours forever" changed everything.

"Grateful"

You've always believed.
I only doubted.
You had the courage.
And I was afraid.
You took the first step.
Then I gave up.
Now I thank you
For our happy life.

"Catherine and Vincent"

Since Catherine and Vincent fallen in love
She waited for his next move.
On hugging he stopped, so she kissed him
He was calm and his look was dim.
One touch changed all, he stayed Above.

Tanka

„Joining”

The shivers
Run through me hard
When
She is approaching slowly
And touches me tenderly

Chant

„Catherine and Vincent”

I come to her and then She kisses me tenderly,
I tell her me fears and doubt, but She kisses me tenderly,
When the dark side overwhelms me and my conscience won't let me rest,
She kisses me tenderly
Evening, when it's time to go home and it's hard to take the first step,
I get strenght because
She kisses me tenderly.

Catherine with to much work, but this boss is like good dreams,

Persona Poem

„Catherine's Balcony”

Their common place,
Exceptional,
Patiently waiting first,
Then a tender greeting.
They are happy here, safe at night
Their conversations, reading and dreams
I feel their love,
uncertainty, fight.
In the end a kiss
They will overcome everything.
